

35 BUSINESSES BACK BOSP!

Information Pack!

A bit about BOSP and what we do:

BOSP is a charity that improves the lives of children and young adults with complex disabilities or life-limiting conditions, and their families, by providing high-quality, fun, educational activities, support and respite care.

Formed almost 35 years ago as a parental support group-BOSP has grown into an award-winning charity.

We provided 13,432 hours of specialist social and education activities, and 40,298 hours of respite care last year alone, and intend to continue our growth to support more families who require the support and care we provide.

In 2022, we were awarded the Queen's Award for Voluntary Service. (an equivalent of an MBE and the highest recognition a charity can receive).

Our 35th Year Community Initiative

We rely on the generosity of charitable trusts, personal donors, and corporate/community fundraisers, to enable us to deliver our work.

We're inviting 35 businesses to stand with BOSP in 2026 as we approach our 35th anniversary!

We want to show what is possible when a community comes together, to help us continue our vital work for another 35 years.

Help us by being part of something that truly changes lives!

No. This is a relaxed, informal chat- not a script. You can speak naturally, and we'll guide you gently if needed.

The video will be shared on BOSP's social media channels and website (and may also be tagged/shared by your business if you're happy to do so!)
